Appropriately named, the Mountain View Republican Club (MVGOP) its' members come from all along the foothills, and from wherever you can view the mountains.

Members hail from Claremont, San Dimas, La Verne, Ontario, Rancho Cucamonga, Upland, Montclair, Pomona, West Covina, Glendora, and Sierra Madre. No matter where you live, you are invited to attend the meetings, and welcomed to join.

What kind of a club is the MVGOP? It is an active club that seeks to keep its members informed on the many issues facing our Nation; our State and our communities. It believes Americans can, and are making a difference; it encourages its members to have their voices heard. It stands strong on the principles of the Republican Party and the values of the United States of America. It is bold, unapologetic and resolute.

Dynamic speakers, member interaction, lively debate, a sense of camaraderie steeped in common values ignite our energy and solidify our commitment to victory and preserving the Constitution of the United States.

Meetings are held every third Monday of the month at 6:30 p.m. most often in Claremont, CA. Please go to our website, www.mountainviewgop.com for details.
